Sale of JBO by Haldia Refinery

3175. DR. A.K. PATEL: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that Haldia Refinery of Indian Oil Corporation sells Jute Batching Oil, a fractional distillate of crude, to Indian Jute Mills at subsidised price of Rs. 7,843 a tonne;

(b) if so, whether it is also a fact that Jute Batching Oil like high speed diesel is health hazardous and should not be used in jute bags manufactured for packing edible items; and

(c) the steps taken by Government to stop production and use of JBO in order to protect the health of consumers particularly when JBO is not used in jute bags meant for exports?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SANTOSH GANGWAR): (a) No, Sir. Indian Oil Corporation Ltd., *Ex* Haldia Refinery is selling two types of Jute Batching Oil, JBO-C (Type I) and JBO-P (Type 2). There is no subsidy in JBO selling price which is priced at Rs. 17,700/MT. *Ex* Haldia Plus excise duty and local levies.

(b) and (c) JBO-C (BIS Grade Type 1 meeting BIS 1758-1986) meets Food and Drug Administration requirements and passes the ultra violet absorbency test, thus making it safe for use as Jute Batching Oil in manufacturing Jute bags used for packaging edible items.

Irregularities in selection of dealers in Bihar

†3176. PROF. RAM DEO BHANDARY: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the details of the action taken by Government on the compaints of Members of Parliament regarding allotment of Petrol Pumps/Gas Agencies in Bihar as on date;
